

Dining Etiquette for Your Great Kids at Noto's!

Who is our target market? Kids in various age groups – lets say: 6 – 10 or 11-14 or 15 – 18 (not necessarily set in stone).

What will be instructed? Proper table manners and dining etiquette.

What will be received when completed? Valuable experience, priceless knowledge and a certificate stating that your child is certified to dine in the most elegant restaurant anytime! (Remember - it's up to the parents to reinforce this at home – no TV, just family time!)

Who has this opportunity? Neighborhood associations, school districts superintendents, principals, athletic directors, teachers and/or advisors, church groups, youth organizations, and coaches who are looking for ways to involve kids and teach them lifelong skills!

How much time will be required? Each group of 10 or more should arrange to spend a minimum of two hours. All day events and experiences can be coordinated as well.

What is the cost? The cost can vary, however we would like to suggest a commitment of \$30.00 per student for the minimum of two hours that would include a typical coursed meal, a multi-media presentation, time for questions and answers, School-to-Career experiences and a tour.

Other great Noto opportunities:

- During February, March, and April, the Noto family and team can provide elementary school groups a two-hour experience that includes a tour of our facility, dining etiquette class, and a pizza lunch for the cost of \$5.00 per person---with a minimum of 40 students and up to 75.
- ***How to finance the class:*** Noto Dollar Fundraising opportunity! Coupon books valued at \$200.00 with a selling price of \$25.00. \$5.00 per book is paid to Noto's "Giving Back to our Community" account – and you keep \$20. You receive a minimum of 50 Noto Dollar Books consisting of 10 twenty dollar value coupons. Sell 50 books at \$25.00 each and earn \$1,000.00 profit for your group.
- This fund-raising concept is also available to our local non-profit organizations and neighborhood groups identifying the need to support proper dining etiquette.
