

Dear Athletic Directors, Principals, and/or Coaches,

We are frequently contacted to request information from Noto's regarding sports banquets. Since we've had previous experience and discussions with many local schools, we thought it would be helpful to forward some general information.

Noto's tries to create a unique and wonderful experience for all of our teams. In the past we have worked with many teams on an individual basis. We certainly would like to work with all of the teams and create a more uniform but special experience to end the sports seasons. Our facility is unique and can accommodate several events at one time. The main banquet room can hold up to 700 seated guests and 200 more upstairs. Multi-media capabilities can be available to synchronize the groups for various parts of the banquet. (There is a great potential for bringing in a keynote speaker or successful graduate, coach, faculty, administrator, etc. and having him/her as the speaker for all the groups.)

At Noto's, we feel it would be great to go back to the way it used to be, with seasonal banquets, for the following reasons:

Everyone wants to get the most for their dollars spent – naturally.

Parents, Administrators, Coaches and Athletes have a limited amount of time and resources to attend extracurricular functions.

Parents can pay once instead of twice or even three times....and can mark one date on the calendar.

A possible future goal:

Create a special Fall, Winter, and Spring All-Sports Banquet at Noto's. We have a variety of rooms that could allow for separate events going on at the same time and/ or combining them all for an overall presentation – I'll never forget hearing Ted Sowle present at a sports banquet when I attended Saint John Vianney in the 60's!

The following are proposals that we hope will interest you:

Proposal 1: \$15.00 inclusive per person for salad, bread sticks with sauce, pasta with tomato sauce, assorted pizza and soda. (\$16.00 with Decorative Team Cake)

Proposal 2: \$15.00 inclusive per person for salad, bread sticks with sauce, pasta with tomato sauce, pasta primavera and soda. (\$16.00 with Decorative Team Cake.)

Proposal 3: Add \$2 to any above proposal for Audio Visual needs: ceiling mounted projector, screen, microphone, podium, registration table and awards table. *

Thanks again for considering Noto's as a partner with your school district. If you would be interested in discussing the possibilities, I am available at your convenience.

Respectfully,

Anthony (Tony) J. Noto
